

## SPECIAL EVENT – SUPER LATE MODELS & LEGENDS

Welcome back to Auto Clearing Motor Speedway! Tonight you are going to be treated to great racing from the local Budget Car & Truck Rental Street Stocks division, the exciting Legends Series and the Dakota Dunes Casino Western Canadian Super Late Model Championship Series competing in the Old Dutch 150. This is the second of the four race championship series at ACMS. SEIDEL holds the first place position in this series leading HERTZKE by only three points and VANGOOL by four points. It's a tight point's race and with only four events to prove yourself, each night it's super important to perform so that makes for some exciting racing!

## DRIVER PROFILE – KYLE VAN HAM - # 5 LEGENDS SERIES

Hey everybody! My name is Kyle Van Ham. This is my first year racing at Auto Clearing Motor Speedway and what a year it has been so far! For five years sitting in the stands watching my cousin Cory Kallis race and win the Street Stock Championship, it had bothered me to not be racing out there..so I finally did something about that this year.

I have about as little knowledge to do with racing as you could possibly imagine. The odd test for a go kart team is about the most experience I have, from not even knowing how to use a standard to now starting with the best Legends Cars racers in Western Canada – it has been a whirl wind summer. After teaming up with Rev'd Up Performance Race Cars and Blake and Ellery Erb, I now have that opportunity to do so, you can find out more by going to Rev'd Up Performance's website [www.revdup.ca](http://www.revdup.ca)

I race the # 5 in the Sask. Legends Series. The car has a 1250cc sealed engine which in turn can go up to 130mph. Having teamed up with Rev'd Up Performance has provided me with insight about racing technique, and all the set-up info I need as well as one hell of a pit crew. Thank you Gloria and Jackie Erb!!

I'd like to thank my family for supporting me in this endeavour and hope to do it for years to come. I'd also like to thank Pancreatic Cancer Canada for supporting my goal to donate half of my year end points money to support research for a much needed cure for cancer. So after the race, make sure to come on down and say "Hi" it means a lot to all us drivers to have the support of our fans.

Kyle
