

Round thirteen - Street Stock invitational

Tonight on the track is the Sask. Legends Series in their final race event at Auto Clearing Motor Speedway in 2012; the Cooper Tires Thunder Stocks and the Budget Car & Truck Rental Street Stocks competing in the A&W Martensville 100 Street Stock Invitational. We are pleased to have built such a fabulous partnership with the City of Martensville and we thank all the Martensville local businesses for their tremendous support of this event.

A big congratulations to all the drivers who competed in the SuperSeal Canadian 200 last weekend, but especially a big pat on the back to our hometown boys who showed all those south of the border guys what it's like to race here in Saskatoon. Race results are listed below as well as the current points standings for the Dakota Dunes Casino Super Late Model Championship Series. The points final event for this series will be held on Saturday September 15th - green flag at 5pm.
