

Bridge City Speedway Inc. Presents
TIGER AUTOMOTIVE MARTENSVILLE 150
Auto Clearing Motor Speedway, Saskatoon, SK.
July 22, 2006 (Rain Date July 23, 2006)

GUIDELINES FOR THE TIGER AUTOMOTIVE MARTENSVILLE 150:

1. Cars are requested to be on display at various locations in Martensville on Saturday, July 22 from 9:00 am to Noon (located 10 km North of Auto Clearing Motor Speedway).
2. Valid driver's license must be presented.
3. All cars must abide by the streetstock rules of their home track. If the car is not raced under a regular club rulebook, it must meet the SSCRA specs. Proof of membership mandatory.
4. All racers must bring a current to this season rulebook for the streetstock class from their home track (except SSCRA members). In the event of an SSCRA member, who races streetstocks at Auto Clearing Motor Speedway, having a valid membership(s) at any other organizations(s), his/her car will be teched according to SSCRA rules.
5. All cars must pass tech inspections before being allowed on the track.
6. Streetstock description: steel bodied cars, factory stock frame, stock suspension, D.O.T. tires only, unless your club rules differ, gasoline engines only, (NO alcohol or nitrous), cast iron heads and intakes, NO antifreeze.
7. Minimum safety requirements: D.O.T. Helmets, 5 point harness, fire proof coveralls, securely mounted steel fuel tank, 6 point roll cage, window net, and a 2lb. Fire extinguisher (mounted in car).
8. All cars will be teched within the guidelines of fair competition and general safety. Any car seen as unsafe, unfair or not within the parameters of a streetstock will not be allowed to run, according to head person's discretion.
9. Head Tech person has final say. No protests.
10. NO shorts, sandals, or sleeveless shirts allowed in the pit area.
11. Due to contractual commitments to our sponsors, NO outside alcohol is permitted.
12. Top 5 cars subject to post-race inspection (e.g. Valve covers, tires, etc.)
