

Proposal for Racer Trader Cards
for Auto Clearing Motor Speedway
by Melissa Buhler of Green Pixel Designs

To the drivers of Auto Clearing Motor Speedway,

I would love to provide your trader cards for the 2010 racing season. I have previously done trader cards for many drivers in the 2009 season as well as previous seasons.

Cards are 4"x6", full colour on both sides, printed on heavyweight (12 pt) card stock.

Prices are as follows, with your own HIGH RESOLUTION pictures supplied to Green Pixel Printing. Other sizes and quantities are available upon request. Prices do not include tax.

250 Cards: \$140

500 Cards: \$165

1000 Cards: \$200

Green Pixel Designs will supply a set of templates (minimum 8 designs) for trader cards and each driver will have a choice of those designs. Each design will be customizable with your own colors. The drivers name, car number, crew names, sponsors, and any other information will be put onto your choice of design. Or, drivers may get a fully customized unique trader card design for an additional \$50 design fee.

Order forms, templates, and samples can be found on my website at www.greenpixeldesigns.com. (A link will be visible on the homepage to order your trader cards starting March 15th.)

The deadline for orders to guarantee trader card delivery for opening race day will be April 23rd, but orders will still be accepted after that date as well. A down payment of 50% will be required at the time of ordering. If you have questions, please feel free to call Melissa at 306-370-2350, or email melissa.buhler@gmail.com. Thank you.
