

We would like to introduce you to Auto Clearing Motor Speedway's youngest racers, the Bandolero drivers.

**When did you start racing and why?**

I started racing this year because my dad didn't want to go to anymore dance recitals! – #22 Kelsey Toth

**Bandoleros are a new class to ACMS; do you have any previous race experience?**

Bandoleros are the first racing or driving experience I have of any kind. – #33 Jasmine Speidel

**What class would you like to race in when you get older and why?**

I would like to drive a Late Model just like Cameron Hayley! – #8 Braxton Clewes

I would like to race in Pro Trucks because I want to try a bigger car. – #33 Jasmine Speidel

**Working on your race car is part of the experience. What do you do to help out in the garage?**

While helping in the garage I clean the car and help get the tools that are needed. – #93 Ryley Schneider

**What are the highs and lows of your racing career this year at ACMS?**

My high is getting 3<sup>rd</sup> place in a feature race and getting faster every time out. A low is getting spun out and hitting the wall at my first race meet and not being able to finish the race night. – #8 Braxton Clewes

**What driver do you admire and why?**

I admire my father, Jason Gervais, because he is a good racer who helps me out. – #24 Jaxen Gervais

**Now that school has started again, and the teachers unfortunately don't teach all about racing, what is your favourite subject in school?**

My favourite subject is science because I get to do experiments. – #93 Ryley Schneider

My favourite subject in school would have to be science or math. – #24 Jaxen Gervais
