Auto Clearing Chrysler Dodge Jeep Ram has been the Title Sponsor at Auto Clearing Motor Speedway (ACMS) since the opening of the current track in 2006, and has been a major contributor to the financing needed as the Saskatoon Stock Car Racing Association (SSCRA) built the facility into the amazing track it is today.

Auto Clearing initially began their partnership with the SSCRA at Bridge City Speedway when Paul Savoy raced in the Cascar and Siemens West Series'. Paul, the General Manager at Auto Clearing, and his father, Henry Savoy, the President, sponsored several West races by providing the prize money to the division's top finishers. When the SSCRA upgraded to the existing facility, Auto Clearing increased their support, becoming our Title Sponsor.

AUTO CLEARING

Without the financial support from Auto Clearing, ACMS would not be the track it is today. From corporate sponsorship, to assistance in acquiring financing for the new facility with Affinity Credit Union, Auto Clearing has been a major factor in providing the speedway with the resources needed to build our new track. Because of this contribution, Auto Clearing received naming rights to our facility.

Today, after almost nine seasons of racing at Auto Clearing Motor Speedway, Auto Clearing Chrysler Dodge Jeep Ram is still a major partner. In addition to being the title sponsor, they are an exclusive dealer of performance parts and American Racer tires, run by the Super Late Model, Sportsman, Pro Truck and Street Stock divisions at ACMS. Auto Clearing also provides a tire rebate program for the American Racer Tires, giving \$10 back to the club for every tire purchased at Auto Clearing All Make & Performance Parts.

Auto Clearing Chrysler Dodge Jeep Ram has been an integral part of the construction and success of Auto Clearing Motor Speedway. Their dedication and contribution is greatly appreciated by the Auto Clearing Motor Speedway Executive and general membership, including drivers and crews.

Congratulations to Shantel Firth, the driver of the #49 Pro Truck for winning Auto Clearing Motor Speedway's 2014 Fan Favourite Driver Award.
