September 27/28, 2014

Welcome to our final weekend of racing in 2014!! Both Saturday's and Sunday's events will include racing that fans at ACMS are not accustomed to seeing. We begin Saturday with the Sask. Legends and Bandolero points finals, as well as a series of qualifier races to determine the field for the much anticipated Windchill 100. On Sunday, the annual Ellenn Plastics Enduro and Demolition Derby will take place as well as the all new "Run Your Junk" segment.

The 2014 race season has been a whirlwind. From the harsh weather, to hot tempers, we have seen it all. It has made for a challenging, yet rewarding year. There are many people and companies involved in preparing for a successful season, and we would like to acknowledge our corporate sponsors, including Auto Clearing, division sponsors, and those who sponsor individual racers. The executive and general membership work hard to make this track the best it can be, and the volunteers spend countless hours to help keep the track running. It is truly a team effort to keep our track advancing in the right direction.

One very important member of this team, who is devoted to the improvement of our track, is Herm Hordal, our Marketing Coordinator at ACMS. He puts a tremendous amount of heart into everything he does for the club and has helped this track accomplish things the membership never thought possible. This will be Herm's last race weekend as the Marketing Coordinator with ACMS, as he will soon be retiring. He and his team deserve a great deal of thanks for all their hard work, dedication and imagination.

Enter to win 4 Season Ticket Packages for 2015!

Draw will take place September 28, 2014.
